

# MIMO DROP SAFE

A top-loading drop safe with two interior compartments.  
Securely stores cash inventory, checks, spare cassettes,  
and a variety of other media.

With a top-loading mailbox style drop slot, the **MIMO Drop Safe** keeps your deposits secure with a hidden saw-toothed baffle, preventing theft attempts to "fish" the contents out through the drop slot.

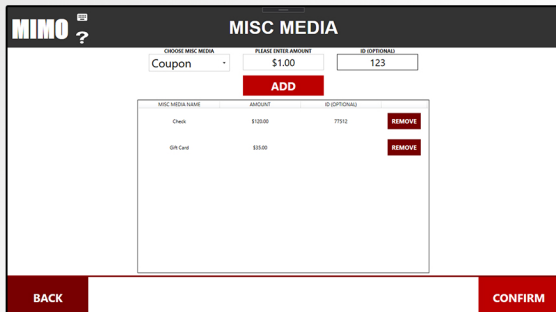

**Two concealed key-locked compartments** feature shelving and secure storage for checks, coupons, damaged bills, receipts, tokens, and any other miscellaneous media users want to deposit alongside their cash and coin.

**An extra-large interior slide-out drawer** offers enough room for spare **MIMO cash cassettes**, perfect for quick swaps during peak business days, or as part of your daily MIMO cash replenishment.

Dim. 34" H x 10" W x 35" D, 600 lbs.

# Protect all of your MIMO inventory beyond cash and coin.

A perfect complement to MIMO's Miscellaneous Media feature. Track and verify your non-cash funds using MIMO CORE software, then deposit them securely into the MIMO Drop Safe. MIMO keeps all your assets in the same place!

- Battery-operated electronic lock on exterior safe with automatic spring-loaded re-locking device.
- User needs code *and* keys to access interior compartments.
- Dual key-locks can even allow **Armored Car independent access to retrieve bank deposits.**
- Solid steel construction for increased resistance against pry and sledgehammer attacks.
