

MIMO

CASH HANDLING SOLUTIONS

The most comprehensive Cash Room Automation System on the market today. MIMO's line of recyclers, safes, and currency counters gives you full accountability of all your cash and coin.

You already know that MIMO saves time, reduces costs, and simplifies operations for your business...
but **what makes MIMO unique?**

**What sets us
apart from the rest?**

HOW WE DO IT

MIMO manufactures, sells, ships, and supports our products all from our warehouse and offices in Aurora, Illinois. **A centralized location for all operations** means we can offer the speed and transparency that we know our competitors cannot guarantee.

STANDOUT SOFTWARE

Proprietary software makes MIMO **more flexible than our competitors**, and our API allows for **easy integration with other softwares**.

Cloud-based Back Office reporting syncs with MIMO to track and access a year's worth of data in real time.

Our in-house Development Team means MIMO can handle **custom requests and immediate software updates**.

WHY CHOOSE MIMO?

- ✓ **Two PCs for continuous data backup.** Same-day resolution if primary PC needs replacement.
- ✓ **24/7 Technical Support with a 97% first-call resolution rate.**
- ✓ **Thousands of MIMOs** already in use across the county.
- ✓ **Six months of free service** including preventative maintenance.
