So what makes MIMO the *best* choice?

MIMO is the only cash recycler with **TWO PC's for continuous data backup** and immediate troubleshooting.

MIMO offers a fantastic financing plan, meaning you could start seeing an **ROI as early as Day One.**

MIMO's team doesn't just hand you a manual and walk away. **We work alongside your staff** to smoothly transition your business to cash automation.

MIMO is flexible and easy to personalize with additional features like specialized receipts, under-counter placement, custom colors, and a compact all-purpose shelf. MIMO can even print your bank deposit slip!

MIMO's Technical Support team is available 24/7 - with remote software upgrades and a nationwide team of technicians guaranteed to keep MIMO easy to use.

MIMO dispenses coin directly into the user's till tray - **no scooping or sorting necessary!**

MIMO software is proprietary, and designed using the modern **security and features of Windows 10.**

MIMO's cloud-based *Back Office Plus* gives you remote access to detailed reports, custom alerts, and real-time inventory status. You can also manage employee data without interrupting MIMO operations.

MIMO offers **six-months of free service!**
